JOSHUA TREE NATIONAL PARK ART EXPO

JURIED EXHIBITION

November 2–26, 2023
Art Expo Weekend: Nov. 4 & 5

Rules & Guidelines

Joshua Tree National Park attracts more than 3 million visitors each year from around the globe. They are drawn to the nearly 800,000-acre park for its magical combination of twisted geology, monolithic rock formations, unobstructed vistas, bizarre flora, and abundant wildlife within its two distinct desert ecosystems—the Mojave and the Colorado. A veritable wonderland of solitude, spectacle, and cultural inspiration, the park has influenced thousands of artists to make the pilgrimage for independent residencies, brief inspirational visits, or even long-term moves to the desert. This exhibition aims to celebrate the park and encourage its visitors to appreciate, protect and preserve its rare and remarkable namesake.

JURIED EXHIBITION: In recognition of a long-standing tradition between artists and our national parks, Joshua Tree National Park Council for the Arts created an annual art exposition in 2013, with a juried exhibition featuring **art depicting or inspired by the natural aspects of Joshua Tree National Park or its cultural history**. The exhibition is displayed at the historic 29 Palms Art Gallery at the Oasis of Mara, next to park headquarters.

JURORS: The selection process for the juried exhibition includes professional artists, photographers, art educators, art administrators, collectors, and National Park Service reps.

AWARD JUDGES: Judges for the juried exhibition awards are noted California artists and/or arts professionals. (See website.)

AWARDS & OPPORTUNITIES: Up to \$4,000 in cash awards. Artists are eligible for 1st, 2nd, 3rd awards in each category, plus Best of Show. Artists selected for the juried exhibition will have one piece of their art featured in the exhibition at the gallery and online and presented in a full-color exhibition catalog.
